Welcome to Sri Lanka – The paradise island, discover the vibrant colours, diverse cultures, and swaying palm trees of this tropical jewel. The Serendib to the Arabs, Taprobane to the Greeks and Ceylon of the English is famous for its richness, beauty and diversity.

Endless beaches, timeless ruins, welcoming people, flavorful food and famous tea has made the island one of the most sort for tourist destinations in the world today.

Be it a day on the beach, chilling out in the hills, feeling the rush of a white clear waterfall or taking a tour to a pleasantly relaxed national park, a tea plantation or game sanctuaries, We at Red Apple Travel & Holidays Lanka (Pvt) Ltd can customize a holiday to best suite you.

Our young & friendly team of experts at Red Apple Travel & Holidays Lanka (Pvt) Ltd focuses in providing an unforgettable travel experience in exploring this exotic island to our clients.

Send us your inquiry and let us tailor make a package to best suit your requirement and budget.....We keep it simple and affordable...

BEACHES

The beautiful island country of Sri Lanka is known as one of Asia's ultimate tropical paradises for its endless miles of golden beaches and abundant natural riches. Dazzlingly white and often untrodden, they ring the island so that no matter where you go, you'll be near a sandy gem.

The breath taking and panoramic views of the coastal lines are yet another proof to choose this paradise surrounded by tranquil waters as your ultimate holiday destination.

Lay back, put on some sun block or get a golden tan while sunbathing on the beach and enjoy long walks along the banks of the sea. Take a snorkeling tour and dive in to the pristine waters or enjoy the amazing views of stilt fishing.

Sri Lanka also offers world class sites for the surfers to pursue a perfect break. You might even stumble upon the chance to see blue whales surging through offshore swells and turtles crawling onto moonlit beaches. When in Sri Lanka you're always just a short hop from something utterly new.

WATER SPORTS

Diving in Sri Lanka is a rising water sport along with its surfing which is huge in the south coast. Excellent places for aquatic pleasures can be found right around the coast; most still untrodden and seldom visited.

Arugam Bay- A beautiful crescent of sand in front of a village which is a famous year-around surfing site and a paradise for snorkeling. Home to abundance of tropical fish.

Great Basses Reefs, Kirinda- Dive and discover the hidden treasures of these basses. Its tricky access and fickle conditions only add to the mystique of Sri Lanka's best dive sites.

Bar Reef, Kalpitiya- Ideal winds for kite surfing and little-exploited. This is where dolphins play in their hundreds near the pristine reefs of Kalpitiya.

Pigeon Island National Park, Trincomalee/Nilaveli- The best remaining coral reefs with high live coral cover in the country and is an ideal location for scuba diving and snorkeling.

Batticaloa- The hub of activities, the ideal place to be surfing the waves, pull off cool techniques, jump high off the wave and to spin in the air.

Weligama- The sandy village, one of the best places to discover the connection with the ocean and to catch your first wave.

HERITAGE SITES

UNESCO has recognized eight World Heritage Sites in Sri Lanka, which is an impressive number for a small island. The country is a treasure trove of man-made and natural wonders.

Galle Fort- The Dutch Fort forms a beautiful urban environment; stroll the walls at sunset and take a journey to the island's colonial past.

Kandy, The Royal City- A city of imposing colonial-era and Kandyan architecture, none more impressive than the Temple of the Sacred Tooth Relic, one of Buddhism's most sacred shrines and the heart of culture. History and culture of this city are on tap. Its vibrant cultural life and attractions more than justify a visit at any time of year.

Sinharaja Forest Reserve- This evergreen rainforest is one of the few virgin rainforests left to date in the world. While you indulge in the serenity of the atmosphere rich in fauna & flora, you also get to experience the tranquil lifestyle of the community.

Dambulla- The Golden Cave Temple of Dambulla, best known for its extraordinary statues and wall murals. Dambulla is a scent of unique interest.

Sigiriya- The Lion Rock, soaring dramatically from the misty central plains, this enigmatic ancient Fortress is one of Sri Lanka's most dramatic sights. To unravel its secrets, one must climb its series of vertiginous staircases attached to sheer walls to reach its flat-topped summit that contains the ruins of an ancient civilization. The sheer splendor of its world renowned frescoes and the pair of colossal lion's paws carved into the bedrock could not be explained in mere words.

Polonnaruwa- The glories of the medieval city of Polonnaruwa can be found in archaeological treasures that still give a pretty good idea of how the city looked in its prime. Discover the delights of exploring through hundreds of ancient structures – tombs and temples, statues and stupas – in a compact core.

Anuradhapura- The timeless ruins of Anuradhapura are one of South Asia's most evocative sights. The sprawling complex contains a rich collection of archaeological and architectural wonders. The sacred and the secular come together in a sprawling precinct spanning centuries of history.

Central Highlands- Sri Pada Peak Wilderness, Horton Plains and the Knuckles Range shelter is a habitat for an exceptional number of endemic species of flora and fauna. The breathtaking view of the "Misty Mountain" makes it ideal for hikes.

WILDLIFE

Sri Lanka is one of the finest wildlife watching countries in South Asia. It may be small in size, but the varieties of fauna and flora found here, would do justice to a country many times its size. Even a visitor with only the most casual of interest can't help but be overawed by the sight of the great herds of elephants, elusive leopards, hundreds of colourful birds.

Yala National Park- Yala boasts of the highest density of Leopards. It is a place to enjoy wildlife in a tranquil setting.

Kumana National Park- Bird Enthusiast watch out! This is Sri Lanka's prime bird watching destinations. Plentiful sceneries and other wildlife a galore.

Minneriya National Park- If you ever wanted to see elephants in the hundreds, this is the place to go, famous for the site of "The Gathering"

Uda Walawe National Park- A major eco-tourism destination in the country. It's an exciting place for bird and wildlife enthusiast.

COLONIAL ARCHITECTURE

Come discover the colonial legacies of the Dutch, the Portuguese and the British in Sri Lanka. Their legacies are today's atmospheric sights. Through the shady trees of Colombo you will see the structures of the empire at its most magnificent. Head to the hills and discover the wonderful colonial era tea planters' bungalows tucked away on the ever-productive tea estates. Down on the south coast is Galle, which is arguably the gem in the colonial architecture crown.

Nuwara Eliya- Known as "Little England" for the vague British-Country-Village like feel you get with its colonial-era bungalows, Tudor-style hotels, well-tended hedgerows and pretty gardens. These misty highlands are the ideal step for relaxation and the best cool-climate escape from the busy hustling of the city. Treat yourself to a night in one of Nuwara Eliya's colonial hotels, play a round of golf or a few frames of billiards, and soak up the town's unique by gone heritage.
